

HEAVY DUTY DESCALING TABLETS - CALCIUM, LIME & RUST

Xerotabs super concentrated Heavy Duty Descaling Tablets are eco-friendly and created specifically for industrial, commercial and institutional use. Effective and easy to use, they eradicate limescale, calcium, minerals, salt, and rust on contact.

Perfect for bathrooms, kitchens, and anywhere moisture occurs.

+ POWERFUL

+ ECO-FRIENDLY

+ JUST ADD WATER

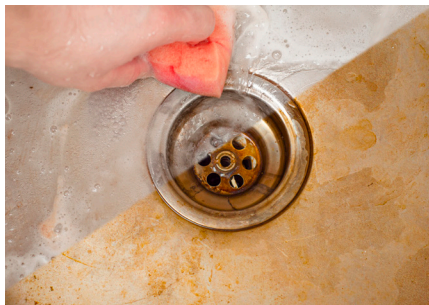

Xerotabs Descaling Tablets dissolve easily in water to create a powerful descaling agent against limescale, calcium, minerals, and rust. Clean and prolong the life of machinery and equipment without the need to transport heavy water and more plastic bottles.

15g
TABLETS

AVAILABLE IN CANISTERS OF
15 OR 30 TABLETS

Each 15g tablet yields 750ml of cleaning solution.

FEATURES

- Fresh Scent
- No Volatile Organic Compounds (VOC's)
- Low Critical Dilution Value (CDV) for instant activation
- Light biodegradable
- Non-corrosive, safe for skin
- Good Manufacturing Practice (GMP) Certified

JUST ADD WATER

To activate the power of a tablet simply add water, dissolve, and start cleaning.

STORAGE AND HANDLING:

Store in tightly closed original packaging in accordance with applicable regulations in a dry and cool place protected against humidity. Keep separate from food, animal feed and similar.

Maximum storage time: 24 months in tightly closed original packaging.

DIRECTIONS FOR USE:

In a spray bottle, dissolve one tablet in 750ml of warm water. Tablet dissolution time is approx. 5 min in warm water.

Spray on surface, allow to work for 2-10 min depending on the degree of soiling then wipe clean with a dry cloth. Heavily built-up limescale may need extra scrubbing.

Not suitable for natural stone.
